THE CISTERN SOCIETY

The Cistern Society honors alumni and friends who preserve the College of Charleston tradition for generations to come through an estate gift. The name was chosen because the Cistern, at the center of the campus, has served as the heart of the College for generations. The Porter's Circle is a part of the Cistern Society and recognizes young alumni who make a planned gift of at least five percent from any asset in their portfolio within 15 years of graduation.
